**Founders 3 Named Milwaukee's Accredited Management Organization of the Year
and Finalist International AMO of Year by Institute of Real Estate Management**

December 7, 2017, Milwaukee – [Founders 3](http://wwwFOUNDERS3.com) Real Estate Services, the state's largest, local, and independently-owned full-service commercial real estate, brokerage and management firm, was named winner of the 2017 Accredited Management Organization (AMO) of the Year Award by the Milwaukee Chapter of the Institute of Real Estate Management (IREM). The firm was also one of three finalists for IREM's 2017 International AMO of the Year Award.

The AMO of the Year Award honors outstanding performance by an AMO firm. The AMO accreditation is the only recognition of excellence given to real estate management firms. This mark of distinction is based on industry standards and best practices, and demonstrates to owners, investors, and clients that their properties are in the best possible hands. Only 550 real estate management firms hold this prestigious accreditation.

Founders 3 first earned AMO accreditation in 2005 (as Siegel- Gallagher Management Company). The firm's Property Management division currently manages 4.5 million square feet of commercial real estate, 4,000 residential units and more than 3,000 boat slips in five states. The division provides property, facility, marina and aviation management, as well as maintenance and accounting services

Founder 3 Real Estate Services was formed in June 2017 when Siegel- Gallagher Management Company, Commercial Property Associates, Inc. and RFP Commercial Inc. merged into a single firm offering property management as well as retail, office, industrial, and investment sales brokerage.

"The AMO honor is another milestone that reinforces Founders 3 clients are served by the best of the best -- one local firm that meets every aspect of their real estate needs, from identifying opportunities and completing transactions to providing active and ongoing property management," said David Behnke, Founders 3 principal.
